Locksets

Introducing ProSource Locksets: A new line of locksets with contemporary designs and quality construction, all at a competitive price. Whether your customers are homeowners, property managers, or professional contractors; there's a lockset that meets their needs. ProSource offers locksets and parts in all of the best-selling styles, finishes and features demanded by the market.

Program Highlights:

- High-margin products at competitive retails.
- Contemporary and timeless finishes like chrome, satin nickel, stainless steel, polished brass, matte black and venetian bronze.
- Easy installation, with detailed instructions included.
- Premium retail packaging that matches leading brand locksets.

ProSource lockset collections and combos allow you to make a consistent style statement throughout your home.

The ProSource Lockset Warranty

These products are warranted to be free from finish defects for 5 years and free from mechanical and workmanship defects for 25 years after original purchase. If a finish or mechanical defect occurs, simply return it to your dealer and it will be either replaced or repaired. A finish deterioration occurring from the use of paints, solvents or other chemicals is not a defect in the finish and is not covered by this warranty. ProSource is not liable for incidental or consequential damages.
